Getting Started –

How to begin the Course

Meet your Course Instructor

Meet Your Peers

Attend Weekly Zoom Sessions

Work on the Forums in the Learning Exchange (LE)

Students, please read this file first to start this course….

Step 1:

Be Curious:

Open and view all files listed on the Course Page.

- **Welcome –** Welcome message and & expectations from the Course Instructor
- **Course Outline**
- **Delivery Schedule**

These are important documents that will guide on activities, dates and topics in the course.

Step 2:

- **Go to the Forum section**

  Carefully examine the following forums and learn what they are for:

  - **Class News and Announcements** – Visit this very important forum each time you go online.
  - **Tutor Student Exchange** – This is another important forum for you to visit each time you go online. In this forum you can speak with your Course Instructor and on course related matters.

    You can also speak to your classmates and share information in this forum.

Step 3:

Synchronous Course Sessions Via Zoom

- **Examine all information found in this section:**
  - Learn what is required of you to prepare your computer so you may work efficiently and gain maximum benefit of the Zoom classes.
  - Ensure you purchase a headset (microphone and speaker)

Step 4:

Study and Navigation Tips

View this section for any links to resources that may be helpful to you in the course.

Example: *The Basics of APA Style*

- Citing references (To prevent Plagiarism) – Slides 13 -25

Step 5:

ORIENTATION

- Orientation activities should be completed in week one ofthe course.
- You will get the opportunity to:
  - Work in different forums in the LE and interact with your Course Instructor and classmates
  - Use resources from the World Wide Web.

Step 6: Weekly Course Content

Topics

- Weekly Course Content can be found with notes, presentations, videos etc.

Use a suitable picture

- Upload your picture (profile) – crop it to show **only your face**.

  - This is an academic environment – the picture used must be appropriate (none-offensive to others)

Required Best Practice

- Use your OC Mailbox for correspondence on course matters
- Use your Open Campus mailbox
- When writing to the Programme Delivery Department (PDD) do the following:
  - Include your name and ID Number
  - Include your course code/name of your course
  - Name of your Course Instructor
- Communicate with your Course Instructor in the LE

(not in email, unless it is a private/personal matter)
